

## Direct Drive Rates

**Direct Drive** service delivers your important shipment beyond the reach of the GTA as fast as possible.

Count on Sterling Logistics for direct, personalized service for all your emergency transportation needs in Ontario and beyond.

- Rate for Direct Drive Service is \$1.60 per kilometre (Distance between point of origin and delivery destination is calculated using origin and destination postal codes and Microsoft MapPoint)
- For a round trip, an additional 50% of the one-way rate will apply
- A van is required for shipments over 125 kilograms. Van charge is \$26
- Shipment weight of up to 7 kilograms is included in the quoted rates. Each additional half-kilogram add 18 cents
- Waiting time is charged at 40 cents per minute, after the first 10 minutes
- Above rate applies from 8:00 a.m. to 5:00 p.m., Monday through Friday
- After hours, weekend and holiday service charges will apply
- All shipments may be subject to a minimum dimensional weight
- Delivery times will vary depending on the destination, traffic, weather/road conditions, etc.
- Rates are subject to Fuel Surcharge in place at time of shipping. View Fuel surcharge at [www.senditsterling.com](http://www.senditsterling.com)
- Insurance – Shipments are insured without surcharge to a maximum value of \$100. Premium of \$3.50 charged for each additional \$100 of valuation, when declared.
- Prices subject to GST (where applicable)
- Terms & Conditions – View current Sterling Logistics Terms & Conditions of Carriage at [www.senditsterling.com](http://www.senditsterling.com)
